UK India Business Council & SPIN London Event

If you are interested to know about “agile social networking” then join us

UK India Business Council is the premier membership led organisation supporting the British Government in the promotion of bilateral trade, business and investment between the UK and India. You can find more details at www.ukibc.com

The UK India Business Council in collaboration with SPIN London is pleased to invite you to the first joint UK India Technology Club/ SPIN London Meeting - an informal evening of networking, drinks and canapés for leaders of technology companies and professionals promoting business process improvements.

The UK Technology Club is a 'no agenda, no speeches' meeting place for the leaders of technology companies. It aims to bring together technology-driven companies with business interests in UK and India as well as those hoping to build their business across this very active business corridor.

There will be opportunity for networking with professionals and we will also have a “Networking Game”. There are prizes and raffles to be won so don't miss out on this great event.

SPINLondon is an independent organization of professionals promoting business improvement. It provides an open and independent forum for innovations and improvement in services, systems and software with a holistic business perspective. You can find more details at www.spinlondon.co.uk
