## SPINLondon

25th Feb 2010

SPINLONDON organized an insightful and interactive event on 25th February 2010.

There were quite interesting and enriching presentations on topics related to processes, communication and culture. These topics were presented by speakers under the themes:

- “Making Processes Stick: A guide to effective process deployment” - by Mr. Adrian Harston of Trinity management consultancy
- “Communication and Culture Change” - by Culture Change specialists Roger Gamage of CPIS Ltd. and Jill Pritchett of JFP Consulting

It also proved to be a great opportunity for business networking and was enjoyed by all. The venue and food was well appreciated.
