Round Table topics include:

- \* Stakeholder Value
- \* Managing the Agile Process
- \* Delivering Business Results

- ❖ SPINLondon provides an open and independent forum for the promotion of systems and software process improvement.
- ❖ We are a group of professionals promoting process improvement through networking, presentations, and partnership with similar groups, forums and non-commercial organisations.
- ❖ Our aim is to provide a conducive forum to discuss the challenges facing the software profession, challenge conventional thinking, promote professionalism and best practices and enhance the linkage between process improvement efforts and improved business outcomes.

**Attendance is free but advance registration is required.
