Dear Kavita,

This is an invitation for a close conclave with drinks and dinner where Simon Newman (ex-CEO of Aviva, Singapore) is going to share "How Aviva, Singapore was transformed".

In 2008 Simon moved to Asia, becoming the CEO of Aviva Singapore. Here he led the business to triple its size and double profitability in 2 years whilst at the same time delivering significant uplifts in customer and staff satisfaction.

You might not want to miss this opportunity to meet with Simon and other C-level executives in London.

For more information and to register, please [click here](#).

NB: This conclave has very limited seats.

See you there!
