

**YOUTH LEADERSHIP – DRIVING
INNOVATION & ENGAGEMENT IN
COMPANIES**

6TH SEPTEMBER 2013

1.00 – 5.00 P.M.

**30 FENCHURCH STREET,
LONDON ECM 3BD**

**London Leadership Network – An Initiative by
Spinlondon Network Ltd**

Introduction

Introduction

Spinlondon Leadership Academy are organising an event as part of the professional skill building program aimed for students who will soon be ready to enter the job market or become entrepreneurs. They aim to equip students with tools and techniques to allow them to gain and communicate the range of employability skills and behaviours that make them stand out. Students get an opportunity to visit professional service companies and manufacturing facilities (such as Accenture, Deloitte, Jaguar Land Rover, Reed Smith, Frankfurt Boerse, London Business School, Cass Business School).

Objectives

The purpose is to explore and learn insights in real-time from the professionals about:

- **Business:** Learn about professional services and products provided by the leading firms and the business context in which the firm operate.
- **Employability:** Learn about assignments, internship opportunities, market challenges and develop skills that employers desire.
- **Innovate & Engage:** Explore and participate in activities that focus on leadership, innovation and engagement in companies in real – time.
